

REFLECTION : RETURN TO THE MYSTERY

The Mystery is your center, your home, the place holding you the whole darn time. Allow the relationship to begin... This is your return.

- What does returning to the Mystery feel like?
- What do you *want* it to feel like?
- What have you noticed in your body as you've read this?
- Have there been any ahas that clicked something into place or offered you a new perspective?
- Where do you notice a gap between what you understand and what you are actually living?
